

## MUKILAN AYYAPARAJ

An IIM-A graduate, Mukilan has been quizzing since he was 15 years old and started hosting shows at the age of 19. He has hosted more than 200+ shows in more than 05 destinations across India.

The interest and passion towards quizzing lead him to start 'Catalyst Quiz Corp', an edutainment company providing knowledge solutions and games for schools, colleges, corporates etc.

He creates content for multiple clients and has hosted shows mostly for educational institutions including the prestigious IIM Ahmedabad. He manages client requests and creates curated content. He has also organised and hosted quiz shows in the form of employee engagement programs inside multiple companies.

Apart from quizzing, he is known for his love towards art and architecture.
