

Catalyst Quiz Corp

AIDING THOUGHT

Our offerings

Branding Corporate Houses

Branding through quiz shows and other knowledge-related activities to:

- Educate about the brand.
- Enhance brand visibility.
- Enable potential leads.

Branding Countries

We partner with foreign embassies in India and brand the country through quiz shows to promote:

- The country as a destination to study.
- The country as a destination to work.
- The country's tourism.

Skill Education

Partnering with schools across India to enhance the skills of the students including:

- Cognitive
- Verbal
- Leadership
- Reasoning
- Analytical

e-Learning

We believe knowledge doesn't need a visa to cross boundaries. We are already educating foreign kids through Skype. The education focuses on General Knowledge.

Television Program Design

With a strong media background, our team has the capability to design television game shows for various audience. We have the ability to script and design infotainment shows for production.

Content Creation

In the world that we are living, content is the king. We develop content in various forms and our expertise include:

- Blog Posts
- Copywriting
- SEO writing
- Social Media Content
- Catchphrase.
